II. OTHER ACTIVITIES

a. [REDACTED] DC/OS, attended the Senior Support Officers' Conference [REDACTED] on 21, 22, and 23 September. He reportedly found the Conference informative and profitable with regard to substance and enjoyed the opportunity to meet individuals whom he had not seen for some period of time.

b. The undersigned is in the second week of the Denied Area Seminar being conducted by the FI Staff. While the first week was devoted to SR and EE Divisions problems, the second week has provided a coverage of other denied areas such as Viet Nam, Korea, and Communist China. Further comment on the Seminar will be contained in a critique to be prepared at its conclusion.

c. On 23 September [REDACTED] called to recommend Mr. [REDACTED] for assignment to the Office of Training. Mr. [REDACTED] called upon the undersigned that afternoon; and after a discussion of [REDACTED] background, arrangements were made for him to visit with the D/TR on Monday, 26 September. It seems apparent that [REDACTED] has not reached a conclusion as to his next assignment and wishes an opportunity to discuss the possibilities of an assignment with FE Division. The purpose of the early visit with the D/TR was an attempt to pressure the individual into an early decision. I am of the opinion that we could use [REDACTED] and hope to hear from him shortly concerning an assignment in OTR.
